

## ENVIRONMENTAL POLICY STATEMENT

### General Statement

It is the policy of John Perkins Construction Ltd to put its environmental policy into practice by:

- Paying particular attention to all relevant legislation, regulations and government guidance.
- Meet industry codes of practice wherever possible.
- Ensure that all employees know and understand the policy and what is expected of them.
- Make efficient use of natural resources by minimising waste and conserving energy and water.
- Seek to reduce wastage of building materials.
- Use registered waste disposal companies or licensed tips for disposal of waste materials, particularly hazardous waste.
- Keeping sites clean and tidy to ensure minimum disturbance to clients and neighbours.
- Ensure that all suppliers and subcontractors are aware of our policy.

### Management Responsibility

Rupert Perkins (Contracts Director) has overall responsibility for environmental concerns and will ensure that policy is properly implemented, monitored and periodically reviewed, in accordance with the relevant statutory provisions.
